

Bronze Series

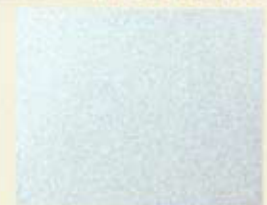

Oil Rubbed Bronze

White (WH)

Black (BK)

Silver (SL)

**Bronze Series is available in three designs;
Tuscan, Slotted, and Square.**

- All Bronze series parts are constructed of 18 gauge steel that has a Paint-Lock galvanized finish prior to powder coating to ensure maximum corrosion resistance.
- All parts come with screw holes and color matched mounting screws.
- Return air filter frames are provided with black "Hog Hair" filters.
- All supply air registers come with an attached OBD damper.
