GOBI

The GOBI is a condensate discharge module designed for modern wall mounted air conditioners.

Because of the aesthetic design the GOBI can be used with all wall mounted air conditioners; it needs no space inside the air conditioner!

Technical Data:

Voltage:	110 V
Power:	30 W
Alarm relay:	250 VAC, 5 A
Pumping capacity:	3.2 gal/h
Ambient temperature:	32 °F to +104 °F
Discharge head:	50 ft ↑, 200 ft →

Description	Voltage	Part No.
GOBI-230-UL	208 - 240 V	4679119
GOBI-115-UL	110 - 120 V	4679127
