DE019AC
DE019AC--RESTRING KIT FOR
DC47-00019A

This is a standard Ni-chrome wire heating element. The Heating element works when a switch on the motor turns on the heating element, which glows red hot and begins to heat the dryer. When the dryer reaches a pre-set temperature, the element is turned off

Features/Benefits

Direct replacement dryer element for LG®
 This dryer heating element includes the insulators and restring already attached for easy installation.
